ALEXA WORKSHOP

FUN ACTIVITIES

ALEXA STUDENT DAYS

(Established under Galgotias University Uttar Pradesh Act No. 14 of 2011)

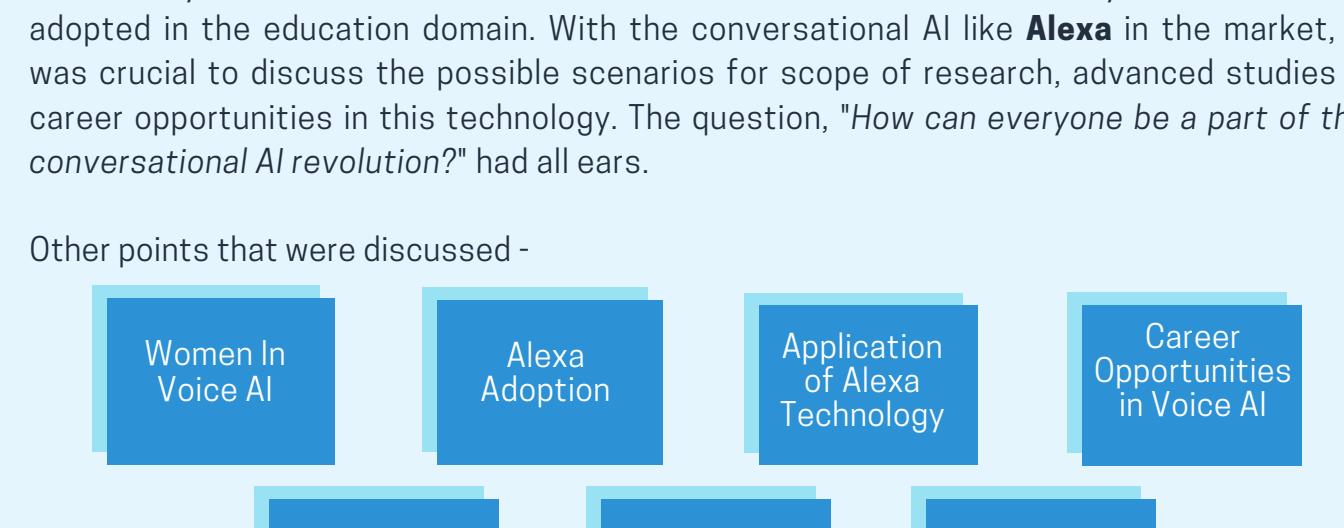

Alexa Student Day held on **19th February 2020** at Galgotias College of Engineering & Technology, Greater Noida. It was organized by Alexa Student Influencer **Rahul Chauhan** along with his team.

Alexa Student Day is one of the most significant events of the Alexa Student Influencer Program(IN) that celebrates the passion, enthusiasm & energy of the student & developer ecosystem.

The day started with the welcome of guests & attendees from the Galgotias University following with the auspicious lightening of the lamp.

Karthik Ragubathy addressed the student attendees with a keynote speech focussed on the impact of Amazon Alexa in the educational sector and how is it relevant for the enterprise.

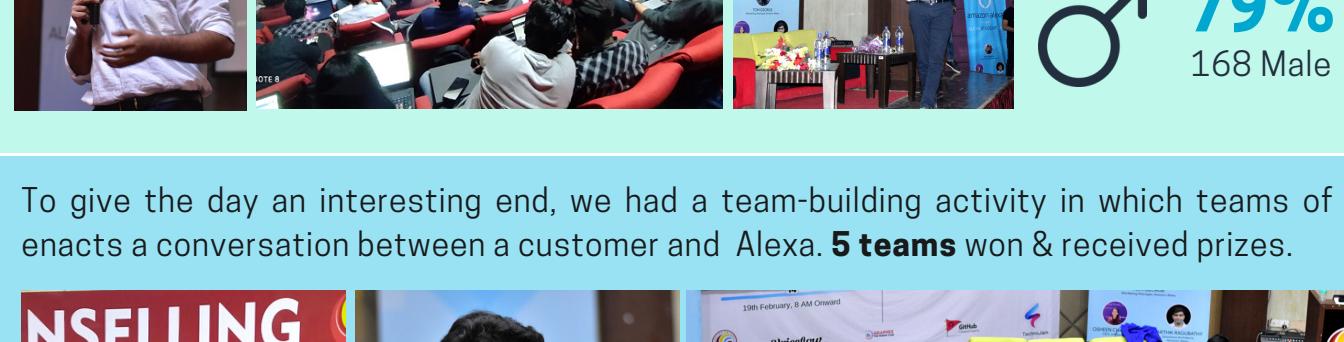

An interactive Panel Discussion took place with **Tom George & Karthik Ragubathy**, moderated by **Osheen Chavhan** to envision the future of Conversational AI & Alexa. They discussed the evolution of Conversational AI in the industry & how can it be adopted in the education domain. With the conversational AI like **Alexa** in the market, it was crucial to discuss the possible scenarios for scope of research, advanced studies & career opportunities in this technology. The question, "How can everyone be a part of the conversational AI revolution?" had all ears.

Other points that were discussed -

Alexa Skills Workshop delivered by **Karthik Ragubathy** was another success to remember as he introduced Alexa to the student & took them through the implementation session. All the attendees readily participated & successfully build their first Alexa Skill, "**Hey Alexa!**"

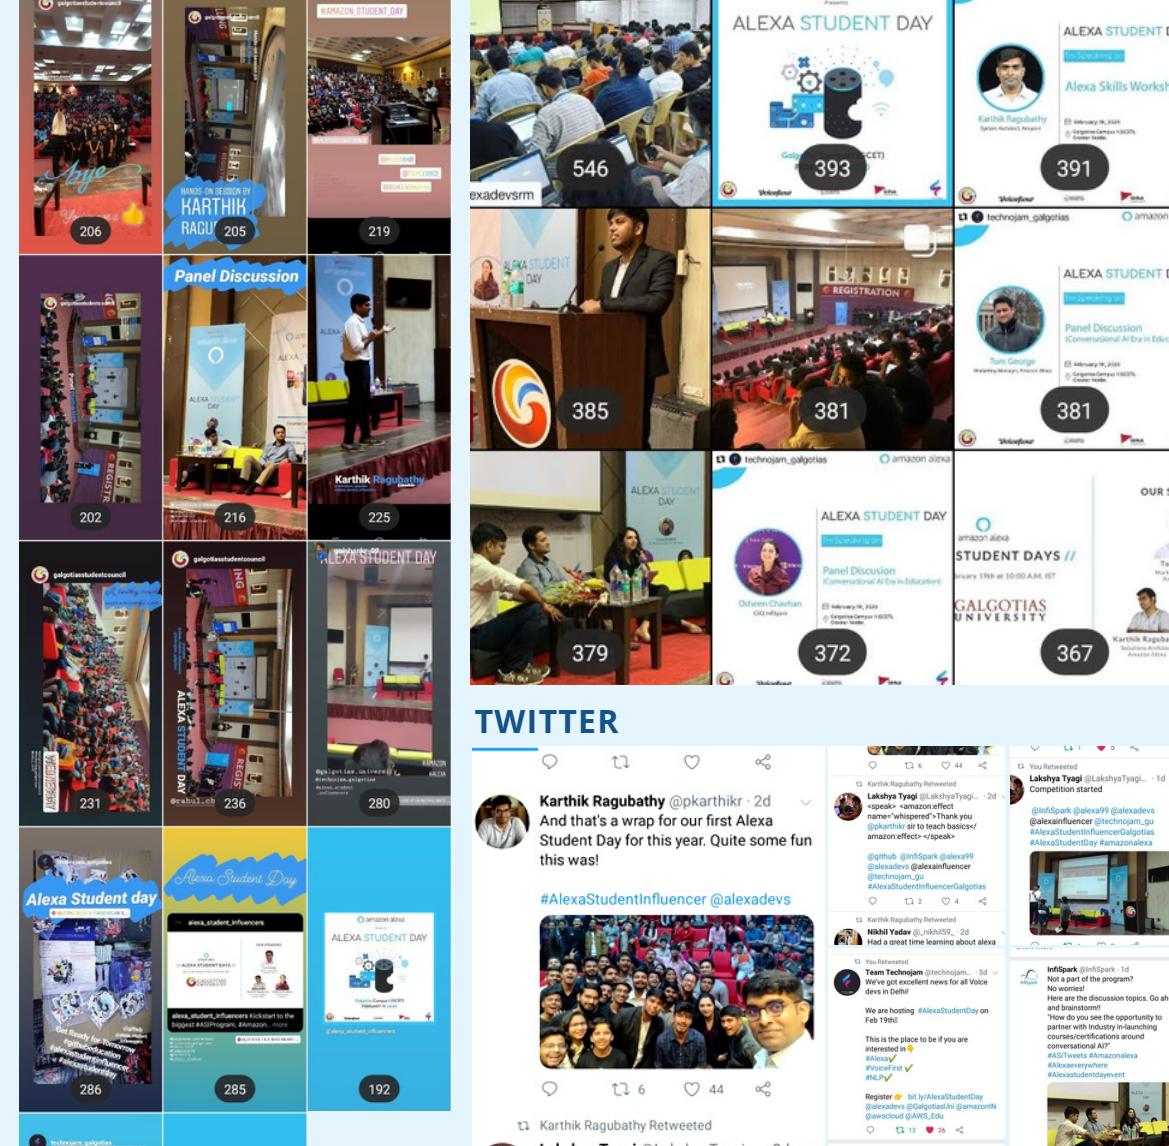

To give the day an interesting end, we had a team-building activity in which teams of 2 enacts a conversation between a customer and Alexa. **5 teams** won & received prizes.
